

2019 DODGE GRAND CARAVAN

DODGE

DOMESTIC. NOT DOMESTICATED.

DODGE

For more than 100 years, the Dodge Brand has stood for standing out. We've led by being different. By offering the unexpected, by having a different voice altogether and daring to amplify it. We've stood apart in a sea of look-alike vehicles by championing the un-boring; by having the courage to be different enough to build modern-day marvels that are engineered with more passion, precision and

performance than ever before. Each vehicle in the 2019 Dodge lineup pays homage to its iconic bloodline with award-winning features and detailed craftsmanship. The snarling engines and sleek exteriors of each vehicle beg to be taken out on the open road. It's time to put the pedal to the metal. *THIS IS WHAT IT MEANS TO BE DOMESTIC AND NOT DOMESTICATED.*

//// Durango SRT® shown in White Knuckle, Journey Crossroad shown in Billet, Grand Caravan SXT shown in Granite, Challenger SRT Hellcat® shown in TorRed and Charger SRT Hellcat shown in F8 Green (all models shown with optional features and packages).

//// Grand Caravan SXT shown in Black Onyx with available Blacktop Package.

# THE POSSIBILITIES ARE WIDE OPEN

## 2019 DODGE GRAND CARAVAN

The struggle doesn't have to be real. Take control by putting yourself behind the wheel of a Dodge Grand Caravan. For more than three decades, Grand Caravan has been the go-to vehicle for parents, weekend warriors and small business owners. With plenty of must-have technology, it's the minivan that keeps you entertained and connected. Simply put, no other vehicle holds the confidence of families, their hobbies and their livelihoods with as much ease. In our opinion, nothing tops this original.

//// Grand Caravan SXT shown in Billet with available Blacktop Package.

**HERE'S WHAT YOU CAN DO.** REMAIN FOCUSED ON THE ROAD WITH YOUR HANDS ON THE WHEEL, WHILE YOU COMMUNICATE, NAVIGATE AND STAY ENTERTAINED.

// **LISTEN** to music, talk shows and sports. Access all genres, favorite artists, winning teams — all the time with available SiriusXM® Radio<sup>[1]\*</sup> // **DISCOVER** new places, find the best shopping, dancing, entertainment venues and restaurants with available built-in Navigation<sup>[2]</sup> // **SPEAK UP** and be heard, send and receive calls and texts<sup>[3]</sup> while driving safely with hands-free phone capability<sup>[4]</sup> // **NAVIGATE**<sup>[2]</sup> to every adventure, get turn-by-turn directions so you don't get lost on the way (unless you want to) with a five-year trial subscription to SiriusXM Travel Link<sup>[5]</sup> and SiriusXM Traffic Plus<sup>[6]</sup>

**FIND OUT MORE AT [DRIVEUCONNECT.COM](http://DRIVEUCONNECT.COM)**

**TRAVEL LINK**<sup>[5]</sup> **SiriusXM**  
**TRAFFIC PLUS**<sup>[6]</sup>

\*A note about this brochure: all disclaimers and disclosures can be found on the last page.

Properly secure all cargo.

This is true versatility. An interior that not only has flexible seating, tons of storage and cup holders in great supply, but also showcases superior craftsmanship, comfort and luxury.

Every Grand Caravan features a four-color 6.5-inch touchscreen radio. Passengers will appreciate the available Three-Zone Automatic Temperature Control. It allows the driver, front passenger and rear passengers to set their ideal comfort levels.

Opt for the Single-DVD Entertainment System with wireless headphones and rear-seat passengers can watch a movie or even opt to connect their portable gaming device.

//// Grand Caravan SXT shown in Black Onyx with available Blacktop Package.

## POWER & PERFORMANCE BEYOND EXPECTATIONS

### AWARD-WINNING 3.6-LITER PENTASTAR® VARIABLE VALVE TIMING (VVT) V6 ENGINE

Take control of any situation with the power that comes from 283 horsepower and the ability to tow up to an impressive 3,600 lb (when properly equipped). The Flex-Fuel engine operates effectively using unleaded gasoline (with an octane rating of 87) or E85, or any mixture of these two fuels.

The suspension tuning, an efficient and easy-to-operate gated shifter and a fuel-economizer feature that alters shift patterns work together to boost overall ride quality and help improve real-world fuel efficiency. Grand Caravan offers a generous 25 mpg highway.\*

//// Grand Caravan SXT shown in Granite with available Blacktop Package.

\*2018 EPA estimated 17 mpg city/25 mpg highway. Actual mileage may vary. Properly secure all cargo.

AVAILABLE FOLD-FLAT SEATING

Properly secure all cargo.

## SAFETY & SECURITY FEATURES

**SEVEN STANDARD AIR BAGS<sup>[7]</sup> ////** In the event of a collision, side-curtain air bags and front-seat side-mounted air bags deploy, blanketing outboard positions in all three rows of seating. A driver knee blocker air bag helps position the driver in relation to the front air bag.

**PARKVIEW<sup>®</sup> REAR BACK-UP CAMERA<sup>[8]</sup> ////** This standard system displays an accurate visual reference of what is behind your vehicle when you are in Reverse.

**TRAILER SWAY CONTROL<sup>[9]</sup> ////** This standard system uses sensors to recognize when vehicle or trailer motion is occurring that is not the result of steering input. The system then corrects the sway by applying brake pressure on alternating wheels.

**DAYTIME RUNNING LAMPS ////** These running lamps automatically turn on when you start the vehicle to increase the conspicuity of the vehicle during daylight hours. Standard on all models.

**ELECTRONIC STABILITY CONTROL (ESC)<sup>[9]</sup> ////** This standard system is designed to assist you in maintaining control of your vehicle during extreme steering maneuvers. ESC senses when a vehicle is starting to spin (oversteer) or plow (understeer) and attempts to correct the vehicle's course by automatically controlling the throttle and applying the brakes at individual wheels.

**ALL-SPEED TRACTION CONTROL ////** This standard system monitors wheel spin so the drive wheels have maximum traction. It's particularly useful when starting off in wet or icy conditions. If the system detects wheel slip, it applies brake pressure to the slipping wheel(s) and may reduce engine power to help maintain traction and vehicle stability.

**ANTILOCK BRAKE SYSTEM (ABS) ////** Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.
