

2021 Cherokee

Jeep[®]

these roots
have run deep
since 1941

Born as a purpose-built 4x4 for the front lines in 1941, Jeep® 4x4s soon transitioned from the battlefields to the farm fields and backroads, where they kept up with hard daily use in industry and recreation alike. Through 80 years and all manner of terrain and weather, a growing lineup of Jeep® 4x4s has consistently moved the bar with strong drivetrains, innovative engineering and quality components that stand out from all other 4x4 SUVs.

welcome to touring class

Every Cherokee Limited passenger will relish the comforts included in the new Limited Elite Package. The Uconnect® 4C NAV radio, with its 8.4-inch colour touchscreen, adds navigation¹⁰ and SiriusXM Guardian³ that can pair with Alexa Skill Technology²; allowing you to send your destination directly to the system. Rear passengers will enjoy heated seats, while front-seat occupants enjoy cooling ventilation. Heated side mirrors, a fore/aft adjusting second-row seat, and a hands-free power liftgate complete the Package. Available.

touchscreen controls

Set temperature controls, activate heated seats and steering wheel, and so much more — all from the touchscreen. A drag-and-drop menu bar allows you to highlight your top six favourite features and services so they're always in sight on your available 8.4- or standard 7-inch Uconnect® touchscreen display.

Display your favourite iPhone apps right on your Uconnect touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri¹¹ to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your journey.¹ Standard.

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto^{TM1} and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, “Hey Google” or long-press the voice-control button on your steering wheel¹ Standard.

SIRIUSXM connected services

Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

SiriusXM Listen to your favourite channel on your connected device, then flip to SiriusXM¹² in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 140 channels, all at the press of a button. With the SiriusXM All Access¹² trial, you get every channel available wherever you go on your portable devices with the SiriusXM App,¹² which is included with your one-year trial. Available.

SiriusXM TRAVEL LINK Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link⁴ service are included. Available.

SiriusXM TRAFFIC PLUS Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus⁴ service are included. Available.

Uconnect® | SiriusXM GUARDIAN Drive worry-free with SiriusXM Guardian³ — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year trial. Available.

SIRIUSXM GUARDIAN SERVICES + UCONNECT® APP

- > **SOS CALL¹³** In the event of an incident, push the SOS¹³ button. You'll be connected to a SiriusXM Guardian³ agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.
- > **ROADSIDE ASSISTANCE CALL¹⁴** puts you in touch with an agent who can get you help while you're out on the road.
- > **LOCK/UNLOCK** your car from virtually anywhere.
- > **START YOUR CAR REMOTELY¹⁵**
- > **FLASH THE LIGHTS** and sound the horn to help find your car.
- > **VEHICLE FINDER¹⁶** allows you to locate your vehicle on a map.
- > **SEND & GO¹⁷** enables you to send destinations to your navigation system.
- > **THEFT ALARM NOTIFICATION¹⁸**
Receive alerts by text, email or push notification if your vehicle's available theft alarm is triggered.
- > **STOLEN VEHICLE ASSISTANCE¹⁹** If the unexpected happens and your vehicle is stolen, this feature will help police locate your vehicle.
- > **FAMILY DRIVE ALERTS²⁰** Peace of mind when you hand over the keys. Allows you to set parameters to receive notifications when others are operating your vehicle.

home-to-car control with Amazon Alexa

"Alexa, ask Jeep® to start my car."

"Alexa, ask Jeep how much gas is in my car."

"Alexa, ask Jeep to find the nearest gas station."

"Alexa, ask Jeep to send (address) to my car."

AMAZON ALEXA Conveniently command your vehicle using your voice with the Jeep Skill² for Amazon Alexa on an Alexa-enabled device from the comfort of your home! Just ask Alexa to start/stop the engine, lock/unlock the doors, check fuel status and tire pressure, and more. With available Uconnect[®] Navigation,¹⁰ you can also ask Alexa to find a business and send the address directly to your vehicle.

4G WI-FI HOTSPOT

All along the way, you can upload and download, post, and search. Uconnect with available Wi-Fi²¹ links compatible devices to the Web so passengers can stay in play. Available.

NAVIGATION

Dinner reservations at the new place in town? Uconnect employs GPS Navigation¹⁰ for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command and say the complete address to get directions quickly. Available.

ALPINE®

The Alpine® 9-Speaker Premium Sound System is known for its outstanding tonal balance and definition. This system helps create a haven of audio enjoyment, delivering an impressive, realistic sound experience. It features an 11-channel, 506-watt amplifier, nine perfectly placed speakers and an 8-inch subwoofer that work together in optimal harmony. Available.

audio perfection

surround yourself with studio-quality sound

Set the soundtrack to stunning views in your Cherokee with the available Sun & Sound Group.

This group pairs the CommandView® Dual-Pane Panoramic Sunroof with the Alpine 9-Speaker Premium Sound System for a truly immersive driving experience.

Jeep® Cherokee 4x4 systems

Every Jeep® Active Drive Four-Wheel-Drive (4WD) System features a unique disconnecting rear axle that adds efficiency to its exceptional capability. You'll experience a seamless transition in and out of 4WD, at any speed, adding welcome economies to a masterful, all-weather performance. No matter which Active Drive System you prefer, you'll enjoy authentic Jeep Brand freedom that is purpose-built to keep you moving over snow, mud, ice, rain and sand.

Trailhawk® in Bright White

Trail Rated® Jeep Active Drive Lock
A two-speed Power Transfer Unit (PTU) offers torque management and 4WD Low Mode. This locks the front and rear driveshafts to deliver additional power at low speeds or for towing your toys. A driveline neutral switch enables you to hitch Jeep Cherokee to your RV and take it along. Plus, a locking rear differential and a Rock Mode provide even more capability and strength to tackle severe off-road conditions. Standard on Trailhawk® models.

Jeep Active Drive I A fully automatic system that delivers seamless operation in and out of 4WD at any speed. Jeep Active Drive I also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use all-weather boost in capability. Standard on 4WD models.

Limited in Granite Crystal Metallic

Trailhawk in Spitfire Orange

AUTO

SNOW

SPORT

SAND / MUD

ROCK
(Trailhawk® exclusive)

Selec-Terrain® Traction Management System

AUTO In this mode, Selec-Terrain® does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

SNOW Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

SPORT Feel like having a little more fun on winding country roads? Select this mode and you're automatically tuned to handle a more aggressive driving style.

SAND / MUD Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios.

ROCK Delivers Trail Rated® Four-Wheel-Drive (4WD) Low capability thanks to its locking rear differential, allowing you to crawl over rugged terrain at appropriately safe speeds. Standard on Trailhawk®.

Every Jeep® Cherokee equipped with available 4x4 capability arrives with a Jeep Selec-Terrain Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. This system pairs with your Jeep Brand 4x4 System to help adapt traction performance. Its selectable dial features Auto, Snow, Sport, Sand/Mud settings and, exclusive to Trailhawk, Rock Mode that doubles down on traction control to help master challenging conditions during on- or off-road travels. Selec-Terrain effectively coordinates 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC)®

Go Anywhere, Do Anything® mastery

Trailhawk® in Hydro Blue Pearl

With its Trail Rated® status, Jeep® Cherokee Trailhawk® is primed to tackle the most challenging road conditions out there, and you're poised to face every road ahead with confidence. The Trail Rated badge tells the world your Jeep Cherokee is fully equipped to Go Anywhere, Do Anything® and perform with exceptional Four-Wheel-Drive (4WD) capability. Every Trail Rated vehicle must successfully pass tests in five performance categories: Traction, Articulation, Manoeuvrability, Ground Clearance and Water Fording.²⁷ Standard on Trailhawk.

Every 4WD Jeep Cherokee can ford streams up to 48 cm (19 in) deep.²⁷ And even more, Trailhawk can safely tackle up to 50 cm (20 in) of water²⁷ with its standard Jeep Active Drive Lock 4x4 System.

When your Cherokee Trailhawk is equipped with the available Uconnect® 4C NAV with 8.4-inch touchscreen, Off-Road Pages offer key off-roading insights and stats. From wheel articulation and transmission temperature to suspension height and drive modes, you'll stay in the know as you go.

2.0L turbo engine

The 2.0L turbo engine performs with V6 muscle that can tow up to 1,814 kg (4,000 lb). Yet, it sips fuel as an I-4 should. Direct injection boosts power, and Engine Stop/Start (ESS) technology, helps improve fuel efficiency. It's a perfect match of superior strength teamed up with welcome efficiencies. With its standard match to the 9-speed transmission, you'll enjoy strong takeoffs and smooth highway coasting. Available on Altitude and Limited models.

270

horsepower

295 lb-ft
of torque

Fuel economy as efficient as
7.6 L/100 km hwy²²

Limited in Granite Crystal Metallic

9-speed Automatic Transmission From its quick launch to its smooth highway travel, you'll notice your ride remains calm and smooth. This confident performance occurs when each shift responds at the right time, for each of the nine gearshifts. Thus, you experience a unique level of luxury. A distinctive set of four overdrive ratios helps gain efficiencies while reducing overall noise and vibration. Economies are maximized, and performance is optimal at all times. You're finely attuned to nearly any driving demand, both on- and off-road. Standard.

engineered for
the long haul

High Altitude in Granite Crystal Metallic

3.2L PENTASTAR™ V6 ENGINE WITH ENGINE STOP/START (ESS) TECHNOLOGY is designed to deliver the kind of power needed to support all-weather travel over any terrain. Demanding drivers will appreciate its 271 hp and 239 lb-ft of torque — enough to reach a towing power of up to 2,041 kg (4,500 lb) when properly equipped. Standard on Trailhawk®, Altitude and Limited models. Available on Sport 4x4 and North models.

2.4L TIGERSHARK® MULTIAIR® I-4 ENGINE WITH ESS TECHNOLOGY performs efficiently while delivering a quiet and refined ride. Plus, for aggressive off-road destinations, it takes its 180 hp and 171 lb-ft of torque and conquers challenges with ease. Standard on Sport and North models.

INDEPENDENT SUSPENSION SYSTEM Designed to be smooth and quiet on-road, tough and nimble off-road. Utilizes high-strength steel and aluminum and MacPherson struts — renowned for their strength and stability.

ELECTRIC PARKING BRAKE Push a button to engage this convenient safety feature.

Properly secure all cargo.

Configurable 60/40-split folding rear seats give you plenty of options. Rear passengers can recline up to 6 degrees or move seats fore and aft for the perfect amount of legroom. Flip down one or both of the split seats to accommodate people along with their gear of choice. Standard.

The hands-free power liftgate eliminates fumbling with packages and keys while loading into the cargo area. This convenient feature opens your rear liftgate automatically — just swipe your foot under the rear bumper. Available.

Properly secure all cargo.

You can bring it all along for the ride. Chances are, when you're out there living on the go, you've got lots of gear in tow. With up to 1,634 litres (57.7 cu ft) of storage while the rear seats are folded down, Jeep® Cherokee's roomy cargo area helps you stay organized when you're staying busy.

make the most of your travels

KEYLESS ENTER 'N GO™ With the fob in your pocket or purse, depress the brake pedal, press the Start button, shift into gear and go. Available.

Properly secure all cargo.

actively on guard at all times

Jeep® Cherokee arrives with an array of available safety and security features, including Blind-Spot Monitoring⁵ and Rear Cross-Path Detection⁵ Systems, Full-Speed Forward Collision Warning with Active Braking⁵, Lane Departure Warning Plus⁵ and rain-sensing windshield wipers. They all work together, along with the long list of standard features included on all trim levels, to boost your confidence travelling over every road.

LANE DEPARTURE WARNING PLUS⁵

PARALLEL AND PERPENDICULAR PARK AND UNPARK ASSIST⁵

PARALLEL AND PERPENDICULAR PARK AND UNPARK ASSIST⁵ This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive as needed. Includes Park-Sense® Front and Rear Park Assist⁵ sensors. Available.

PARKVIEW® REAR BACK-UP CAMERA⁵ When the vehicle is in Reverse, previously hidden objects are revealed on your Uconnect® screen, so you have time to react. Standard.

ADAPTIVE CRUISE CONTROL WITH STOP & GO (ACC STOP)⁵ Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Jeep Cherokee to a complete stop without driver intervention to help avoid a collision. Available.

BLIND-SPOT MONITORING (BSM)⁵ AND REAR CROSS-PATH DETECTION⁵ SYSTEMS These systems monitor the space between you and other vehicles. When a side or rear blind-spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime. Available.

PARK-SENSE® REAR PARK ASSIST SYSTEM⁵ Ultrasonic sensors determine the relative distance to objects in your rear pathway. Read-outs in the Driver Information Display provide notification of rear object proximity and an audible warning is given. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING⁵ Sensors detect when Jeep Cherokee may be approaching another vehicle too rapidly. An audible and visual alert is provided, along with 1.5 seconds of brake assistance if the driver does not react in time. Available.

LANE DEPARTURE WARNING PLUS⁵ Tactile, visual and audible warnings are given should the system detect the vehicle is drifting outside of lane boundaries. Available.

ADAPTIVE CRUISE CONTROL WITH STOP & GO (ACC STOP)⁵

Limited in Velvet Red Pearl

STANDARD AIR BAGS²³ Full-length side-curtain driver and front-passenger inflatable knee bolster air bags, side-thorax air bags and advanced multistage front air bags all work together to help provide robust protection. Standard.

UNPARK ASSIST⁵ Controls the vehicle's steering while providing the driver with gear and braking instructions to help navigate. Available.

LED HEADLIGHTS See more of the road ahead in the darkness of night. LED headlamps shine 57 percent brighter than traditional lamps. Standard.

RAIN BRAKE SUPPORT Wet pavement can prove challenging to travelling safely. This system automatically helps maintain optimal braking by keeping brake rotors dry in rainy conditions. Standard.

SENTRY KEY[®] ANTITHEFT ENGINE IMMOBILIZER A unique, embedded key code matched only to your vehicle helps keep your Jeep[®] Cherokee safely where you parked it. Standard.

SIDE-DISTANCE WARNING⁵ Parking in tight spaces can be tricky. Helps manoeuvre in tight spaces by providing an audible and visual alert when an obstacle is detected alongside your vehicle. Available.

TRAILER SWAY CONTROL (TSC) Crosswinds and traffic hold no sway over you and your payload. This control system helps keep you and the toys you tow safely on course. Standard.

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES: 2021 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.[†] SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.[†]

*Whichever comes first. Some conditions may apply. [†]The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. To use Android Auto on your car display, you'll need an Android phone running Android 6.0 or higher, an active data plan, and the Android Auto app. 2) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Late availability. 3) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 4) SiriusXM Traffic Plus and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 5) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 6) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 7) Based on IHS Markit Total Canadian New Vehicle Registrations for all SUV Segments from CY2015 through September 2020. 8) Based on *WardsAuto* Middle Cross Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 9) Based on *WardsAuto* Middle Cross Utility segmentation. Excludes 7- and 8-passenger vehicles. When equipped with 3.2L Pentastar VVT V6 engine with Trailer Tow Group. 10) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 11) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 12) Requires SiriusXM radio subscriptions governed by SiriusXM Canada Customer Agreement available at www.siriusxm.ca/terms. 13) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 14) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 15) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules, or ordinances in effect in your vehicle's location. 16) To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 17) Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 18) Theft Alarm Notification is compatible with factory-installed alarms only. 19) Stolen vehicle police report required. 20) Available only on equipped vehicles with an active subscription to SiriusXM Guardian connected services (Family Drive Alerts is not available on vehicles with 12-inch touchscreen). All SiriusXM Guardian equipped vehicles come with a 12-month trial of the full suite of services effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue services. Services can only be used within the United States and Canada where cellular coverage is available. See coverage map for details. 21) Three-month/7GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 22) Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. Miles per gallon (mpg) ratings based on imperial gallon. 23) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 24) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 25) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 26) Vehicle must be locked and system activated for alarm to sound. 27) Do not attempt water fording unless depth is known to be less than 48 cm (19 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 28) Not compatible with all garage door openers. 29) The Jeep SUV brand has received more awards in its lifetime than any other SUV brand.
