CHRYSLER PACIFICA
THE MOST AWARDED MINIVAN
FOUR YEARS IN A ROW*
NOW HAS THE MOST
STANDARD SAFETY FEATURES
IN THE INDUSTRY

The 2021 Chrysler Pacifica comes with an assertive new look and an available All-Wheel-Drive (AWD) system for enhanced driving capability. The new Pacifica brings athletic new fascias and grille, a new premium trim level with luxury interior, and compatible new technologies. The redesigned lineup offers the innovative Pacifica Plug-in Hybrid with combined gas and all-electric power and boasts the most standard safety features in the industry² to help make every ride more secure.

*A note about this brochure: all disclosures can be found on the last page.
The sculpted new Chrysler Pacifica is highlighted by distinctive accents and badging on the new Pinnacle™ with Platinum Chrome exterior finishes and 20-inch wheels. Available on gas and hybrid models, the top-of-the-line Pinnacle trim level speaks volumes about Pacifica’s upscale pedigree.
Chrysler Pacifica Pinnacle™ offers the most luxurious interior in its class²

Immerse yourself and the crew in the maxed-out comfort and style of the new premium Pinnacle trim that’s loaded with luxury features and content, including quilted Caramel Nappa leather-trimmed seats in all three rows and unique matching lumbar pillows in the second-row captain’s chairs. The sumptuous leather extends to armrests, bolsters and the movable pillows with suede backing for an extra dose of indulgence.

SUVs DON’T STAND A CHANCE
Chrysler Pacifica offers the most advanced available All-Wheel-Drive (AWD) system in its class, with seamless engagement for an efficient drive. It’s also the only minivan in America with available AWD and available Stow ‘n Go® Seating for enhanced performance with no sacrifice to versatility.
Confidence and precision, no matter what the forecast
Not only does the Chrysler Pacifica introduce a robust, new capability design — it offers advanced driving performance capability. The available fully automatic AWD performance system delivers enhanced traction over a wide range of driving and road conditions — from dry pavement to snow-covered roads to non-paved surfaces — and engages seamlessly at any speed without the need of driver activation. The advanced system also automatically activates when outside temperatures near freezing, when windshield wipers are used or when road slope significantly changes.

**ALL-WHEEL DRIVE FOR ALL-WEATHER DRIVING**

On-demand fuel efficiency
By activating power and torque to the wheels as needed, the available AWD system offers fuel-saving technology, giving you the ultimate in performance and traction when you need them, and optimal fuel efficiency when you don't.
Ready to drive

The advanced All-Wheel Drive (AWD) offered on Chrysler Pacifica detects wheel-slip and kicks in automatically to distribute power between front and rear wheels. The system is also tuned to minimize oversteer and maximize traction where snow, ice, mud, sand or gravel are present. There is no need to select AWD as the proper mode is engaged when necessary depending on road surface and driving dynamics, such as heavy acceleration and abrupt steering inputs, as well as with Electronic Stability Control® activation.
Above and beyond

Because helping to keep you and your family safe is paramount, the Chrysler Pacifica offers over 115 standard and available safety and security features, 97 of which are now standard across the lineup. Every Pacifica model includes SafetyTec™ Plus — a host of automatically reactive technologies designed to help enhance your control and visibility even on the busiest of roads, lots and driveways.

THE MOST STANDARD SAFETY FEATURES IN THE INDUSTRY

Standard new automatic LED high-beam headlamps, DRLs and fog lamps

The new LED headlamps provide an exceptional, balanced beam of light that minimizes glare for oncoming traffic while increasing light output directly in front of the vehicle. Side daytime running lamps (DRLs) improve visibility range while cornering, and the LED fog lamps provide improved illumination during inclement weather.
YOUR FAMILY’S SAFETY IS OUR TOP PRIORITY. THAT’S WHY WE’VE INTRODUCED AN ARRAY OF NEW STANDARD SAFETY AND SECURITY FEATURES.
Pedestrian Automatic Emergency Braking

Available ParkSense® Front/Rear Park Assist with Full Stop®
Available Parallel and Perpendicular Park Assist with Stop®

Rear Cross-Path Detection

Blind Spot Monitoring®
PEACE OF MIND IS KNOWING
THE COAST IS CLEAR

With full exterior views of the available 360° Surround-View Camera, you’ll take comfort in backing out and pulling in by scoping out your surroundings via the standard, new largest-in-class 10.1-inch Uconnect® 5 radio touchscreen.

**360° Surround-View Camera**

+ Includes a bird’s-eye view
+ Uses four cameras positioned around the vehicle
+ Dynamic grid lines help to guide the driver
+ Select to view available ParkSense® Front/Rear Park Assist with Full Stop
NEW LEDs DESIGNED TO LEAD

Feeling safe means being seen
A distinctive new all-LED taillamp runs the entire width of Chrysler Pacifica’s rear fascia, providing an unmistakable rear approach and upscale lit appearance to the High-Gloss Black surround and Chrysler wing badge. The new design precisely integrates with the back-up camera and aerodynamic design.
Structural integrity

The upper body and the frame of the Chrysler Pacifica structure are designed as a single unit, helping to achieve premium driving agility. This exceptionally solid architecture carries advanced structural applications, optimized proportions, and dynamic qualities like the use of high-strength steels. The door design also increases visibility around the front windows and pillars, while sound-absorbing barriers throughout the body and engine area help reduce overall cabin noise, contributing to less driver distraction.
The standard air bags include advanced multistage front air bags with adaptive venting technology, front-occupant knee air bags, supplemental front-seat-mounted side-impact air bags and side-curtain air bags which extend over all three outside seating rows.
In touch wherever you go

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, available navigation and entertainment — all from one easy-to-use touchscreen.

DRIVEUCONNECT.COM
**Compatibility your way with the all-new 10.1-inch Uconnect® 5 largest-in-class standard touchscreen radio**

Uconnect brings a wide range of interactive features to your vehicle and beyond through a highly intuitive communication experience that allows you to drag, slide, swipe and zoom right on the built-in screen.

**Uconnect Phone**
Stay connected safely. Now connects two Bluetooth® phones to send and receive hands-free calls. Includes Do Not Disturb to route incoming calls to voice mail and suppress text messages, and Voice Recognition to make hands-free calls, listen and respond to text messages, record voice memos, and select media stations and navigation destinations.

**New Home Screen Customization**
We’re taking personalization and customization to the next level. The all-new Uconnect 5 allows you to create an exclusive home screen with a familiar feel. Similar to specific icon placement on a mobile phone or computer, you can personalize the home screen with frequently used features for quick and easy access, featuring one-touch and swipe operation. Drivers can also arrange widgets that provide quick access to their favorite commonly used functions and information, as well as set up to five different screens to swipe between. Even the status bar can be customized.

**Driver Profiles**
Uconnect 5 features several fully customizable interfaces with the ability to store up to five user profiles. Each user can set their own music and vehicle operation preferences such as temperature, seating position and mirror placement. Switching between users is simple and can be handled by a single touch.

**TomTom Connected Navigation (available)**
TomTom Navigation for Chrysler Pacifica gives you a fully integrated turn-by-turn navigation experience using the most up-to-date maps, combined with traffic and connected services. Also, essential guidance information is displayed neatly on the cluster right in front of you to avoid distraction. Drivers can personalize their connected navigation system by easily creating a list of favorite locations, customizing their route preferences, and choosing which points of interest are displayed on the map and route. TomTom Navigation provides accurate and intuitive search results with destination prediction, which offers suggestions like “Going to Work?” while showing the best route options automatically. All these features, and more, are available with an easy-to-use destination entry via voice instructions.

**4G Wi-Fi® Hotspot (available)**
Get a stronger, faster, lasting connection on the road. With the available subscription, this built-in hotspot uses the vehicle’s antenna for fast connectivity wherever you are — even standing 50 feet away from your car. With fast speeds through the AT&T® nationwide network, you can stream videos, check social media, get real-time email access and connect up to eight mobile devices. Expand to 4G Wi-Fi® by connecting online or through the Uconnect touchscreen.
Now you can wirelessly connect and display your favorite iPhone® apps right on your Uconnect® touchscreen with Apple CarPlay. Access your iTunes® library, call anyone in your contacts list or just ask Siri® to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your drive. Standard.

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto® and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, “Hey Google” or long-press the voice-control button on your steering wheel. Standard.

YOUR TIME. YOUR PLACE. YOUR WI-FI.
Uconnect 5 brings Amazon Alexa directly into the vehicle itself, giving occupants the freedom to interact with Alexa just as they do at home or on a personal device. With Alexa Built-in, occupants can ask Alexa to play music, podcasts and Audible; add items to their to-do or shopping list; check news, weather, traffic, sports and other real-time information; and access tens of thousands of Alexa Skills. Responses and streaming audio are delivered through the vehicle’s audio system, allowing anyone in the vehicle to easily interact with Alexa. Available.

Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

SiriusXM with 360L® delivers satellite and on-demand streaming
This groundbreaking, next-generation platform gives you over 200 channels and 5,000+ hours of on-demand streaming programs on your in-vehicle satellite radio, including commercial-free music, plus sports, news, talk and entertainment. You’ll get personalized listening recommendations, listener profiles, and much more, like customized Pandora® music stations, recorded shows, interviews and events from an exclusive on-demand library. You can also listen wherever you go on your portable devices with the SiriusXM App, included with your six-month trial. Available.

TomTom Connected Services
TomTom’s Connected Services — including Traffic, Speed Camera Alerts, Electric Vehicle services, Parking, Fuel Pricing and Weather — provide drivers with reliable, timely information to get them where they are going without worry. As a fully integrated system, routing and guidance will still function even if Internet connectivity signal is lost by using regularly updated backup mapping contained within the system, unlike mobile phone navigation. Available with Uconnect 5 NAV, the TomTom Connected Navigation system allows you to access useful information right at your fingertips and Over-the-Air Map Updates guarantee access to the freshest maps, so you’ll always know the road ahead. Available.
Drive worry-free with available SiriusXM Guardian™ — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect® App24 and SmartWatch Extension. (Includes a one-year trial. Available.)

SiriusXM Guardian23 Services + Uconnect App24
1. AUTOMATIC SOS (ASOS)25 In the event of an incident that results in airbag deployment, hands-free ASOS25 will automatically call an emergency call center. Seconds later, a live agent will contact you through the Uconnect system and alert emergency services. If you are unable to respond, the agent can direct emergency services to your GPS location.
2. ROADSIDE ASSISTANCE CALL26 puts you in touch with an agent who can get you help while you’re out on the road.
3. LOCK/UNLOCK your car from virtually anywhere.
4. START YOUR CAR REMOTELY27
5. FLASH THE LIGHTS AND SOUND THE HORN to help find your car.
6. VEHICLE FINDER28 allows you to locate your vehicle on a map.
7. SEND & GO29 enables you to send destinations to your navigation system.
8. THEFT ALARM NOTIFICATION30 Receive alerts by text, email or push notification if your vehicle’s available theft alarm is triggered.
9. STOLEN VEHICLE ASSISTANCE31
10. FAMILY DRIVE ALERTS32 Peace of mind when you hand over the keys. Allows you to set parameters to receive notifications when others are operating your vehicle.
   - Boundary Alert Be alerted the moment your vehicle is driven outside of up to five geographic boundaries that you set.
   - Curfew Alert Be alerted if your car is being driven outside of the curfew you set.
   - Speed Alert Receive a notification whenever your car exceeds a speed limit you set.
   - Valet Alert Be alerted the moment your vehicle is driven outside of a defined radius.
11. SMARTPHONE/SMARTWATCH APP Access the features of SiriusXM Guardian23 through the convenient Uconnect App,24 which lets you use your smartphone or smartwatch to keep in touch with your vehicle from a distance.
With the Chrysler Skill for Amazon Alexa, 22 customers with Alexa-enabled devices at home can easily ask Alexa to start the car, lock/unlock doors, check fuel level, send destinations to your vehicle’s navigation system, and more — all by simply using your voice from the comfort of your home!

Remotely voice-activate your vehicle from any device with the Google Assistant App: Simply ask Google to start/stop the engine, lock/unlock the doors, check fuel status or tire pressure and more. With available Uconnect® navigation, you can also ask Google to find restaurants, gas stations and other destinations and send the addresses directly to your vehicle for added convenience.
Available Vehicle Health Report\textsuperscript{33} and updates

Servicing and updating your Chrysler Pacifica has never been easier. In-vehicle messaging will notify you when an oil change is needed and provide the most up-to-date information. The system will automatically load improved software to the vehicle seamlessly, while other services can be handled at your local dealer with a Service Scheduling feature.

Available Uconnect\textsuperscript{®} Market\textsuperscript{34} makes your daily drive more convenient

Skip lines and save time as you purchase products and services, order food, reserve a table at your favorite restaurant, find the nearest gas station and save money on fuel purchases, and interact directly with a variety of merchants — all from the comfort of your vehicle without having to reach for a physical credit card. This commerce platform also allows you to locate and securely authorize pump-and-pay fuel at participating locations, locate and pay for nearby parking, and schedule service appointments at Chrysler dealerships.

Properly secure all cargo.

DRIVEUCONNECT.COM
Always looking forward with the available FamCAM interior camera

Peace of mind comes in many forms from Chrysler Pacifica, and keeping an eye on rear-seat passengers — without turning around — is no exception. An available headliner camera captures a full interior view behind the front row, including rear-facing child-seat occupants, letting you view the best-in-class HD images from a split-view display and zoom-in feature on the standard, all-new 10.1-inch Uconnect® 5 touchscreen radio.
AVAILABLE UCONNECT® THEATER: THE BEST FAMILY ENTERTAINMENT SYSTEM IN ITS CLASS”

Dual-screen independence allows second-row passengers to enjoy separate videos and games or play against each other.

Your tech menu on demand

Two 10.1-inch HD touchscreens
11 built-in games and apps
Wireless headphones
Blu-ray™/DVD player
Dual HDMI inputs
First-row USB® for first- and second-row movies
Charging ports available in all three rows
Android™ device wireless streaming®
Bluetooth® touchpad remotes
Most available plug-in connectivity in its class\(^2\)

Chrysler Pacifica is now your family’s charging and connectivity hub with 12 USB ports throughout, including Type-C for up to four-times-faster charge time than standard USB ports. Keeping your phone powered is simple with a new Wireless Charging Pad, available for the new integrated Ultra Console, including an LED light to indicate charging status.
LUXURY DIALED TO 20

The available Harman Kardon® premium audio system reaches every seat with perfectly tuned multichannel Surround Sound with up to 20 speakers in 13 locations — providing an immersive audio experience.
AMPLIFY

THE FUN & FUNCTION

Available Premium Center Console Storage Drawer

Available in-floor Storage

Available Ultra Console Offers a Host of Storage Compartments

Available Stow ’n Go® Seating and Storage System

Offers the Most Innovative Seating and Storage in Its Class
DIY any day

The mobile family room allows you to turn Pacifica into a flat cargo hold. After you fold the third-row and available second-row Stow 'n Go® seats into the floor or remove the lightweight second-row seat on equipped models, the resulting space can hold a stack of 4’x8’ boards, while in-floor bins provide storage organization.

Properly secure all cargo.
UP TO 243 WAYS
MULTIFUNCTIONAL MEETS MULTITASKING
The more the merrier

The available seating for eight\(^{38}\) includes an easily removable\(^{40}\) second-row center seat, which adds an armrest, cup holder, and bin when the seatback is folded down, as well as increases the number of available LATCH-installed child seats to five.
Dream big even on small trips
From the available Tri-Pane Panoramic Sunroof to sound-absorbing laminated glass, built-in Active Noise Cancellation technology and triple-seal doors, the Chrysler Pacifica makes for a peacefully quiet and visually expansive environment.
AMERICA’S FIRST AND ONLY PLUG-IN HYBRID MINIVAN

One giant leap to a smaller carbon footprint

By increasing driving range and saving fuel while cutting down emissions — without compromising on the versatility and space you need — the Pacifica Hybrid offers the best of both worlds. The Chrysler Pacifica Plug-in Hybrid offers a pure electric range and the ability to drive gas-free — it’s electric when you want it, gas when you need it. The Pacifica Hybrid’s third-row seating easily stows into the floor, while the second-row seats can be easily removed when extra cargo space is needed.
The Chrysler Pacifica Hybrid gives drivers the ability to travel 32 miles in all-electric mode, allowing a total combined driving range of 520 miles. Combining electric battery charge, regenerative braking and a V6 gasoline engine, the Hybrid powertrain delivers an astounding fuel economy of 82 MPGe, seamlessly switching between gas and electric power based on driving conditions.
The heart of the Pacifica Hybrid is the 16 kWh lithium-ion battery, delivering up to 32 miles solely on zero-emission electric power, with a combined fuel economy of 82 MPGe. It works seamlessly with a specially adapted version of the 3.6L V6 gasoline engine and regenerative braking technology to deliver optimal efficiency and a total driving range of up to 520 miles.

The ability to travel up to 32 miles without gas allows you to make fewer stops at the pump. Additionally, every time you brake while driving, the Hybrid’s regenerative braking system turns the motor into a generator, charging the battery to help extend the electric range.
Transforming to a more eco-conscious life is easy without having to sacrifice the space your family needs. The Pacifica Hybrid includes seating for seven, third-row Stow n Go® seating and storage with fold-in-floor seats, easily removable 60/40 second-row seats, roomy compartments and convenient accessories like available shopping bag hooks to help keep all your items properly secured.
