these roots
have run deep
since 1941

Born as a purpose-built 4x4 for the front lines in 1941, Jeep® 4x4s soon transitioned from the battlefields to the farm fields and backroads, where they kept up with hard daily use in industry and recreation alike. Through 80 years and all manner of terrain and weather, a growing lineup of Jeep® 4x4s has consistently moved the bar with strong drivetrains, innovative engineering and quality components that stand out from all other 4x4 SUVs.

Properly secure all cargo.

Gladiator: one-of-a-kind thrills

With a heritage spanning over 80 years, Jeep® Gladiator is purpose-built to take you to places others only dream of reaching. Its award-winning pedigree places authentic Jeep Brand Four-Wheel-Drive (4WD) capability at your command while enjoying a cabin filled with plenty of comforts and technology features. A long list of standard and available safety and security features delivers welcome peace of mind.

Sport S in Firecracker Red
Properly secure all cargo.

Award applies to 2020
Jeep® Rubicon® models

Motoring TV names the
2020 JEEP GLADIATOR
TRUCK OF THE YEAR

no toy
left behind

Jeep® Gladiator rides ahead of all the rest, engineered to pull, pack and do everything for those who demand more from a pickup truck.

TRAILER TOW PACKAGE

Those who aspire to do more often want to bring more, and Gladiator gives you the option to make it all happen. This Package lets you do double duty by hooking up your trailer to haul some extra fun, while also loading up your truck bed with additional items and cargo. Available.

Overland® in Billet Silver Metallic
Properly secure all cargo. Always tow within the vehicle's capacity.

pull with confidence

Best-in-Class gas towing¹¹ is achieved on Sport S models with the Max Tow Package with 4.10 Axle Ratio, extending your playing field as far as your imagination can roam. Available.

Rubicon® in Hydro Blue Pearl

TRAILER SWAY CONTROL (TSC) As part of Electronic Stability Control (ESC),⁹ TSC helps keep the valuable toys you're towing under control. TSC helps improve handling should crosswinds or traffic become challenging. The system continuously monitors vehicle movement and adjusts brake pressure to individual wheels until you're moving safely forward once again. Standard.

TRAILER HITCH ZOOM²

Working in tandem with the standard ParkView® Rear Back-Up Camera,² this smart feature helps you get a close-up view of your trailer hitch, via your Uconnect® screen, when you're connecting or releasing your load. Available.

Properly secure all cargo. Always tow within the vehicle's capacity.

LOWER THE GATE and take advantage of a 206.5 x 113.8-cm (81.3 x 44.8-in) load floor (with tailgate down) that can accommodate a whole lot of ATV fun. Well-positioned tie-downs help secure your load. LED bed lighting illuminates nighttime on- and off-loading.

possibilities

BEST-IN-CLASS 4x4

1,700-lb (771-kg) PAYLOAD¹¹

This versatile 153.1 x 144.2-cm (60.3 x 56.8-in) truck bed is built to carry almost everything to every place you dream of reaching. Its three-position tailgate, available spray-in bedliner, tonneau cover and 115-volt auxiliary power outlet all add more function to your fun.

Rubicon® in Billet Silver Metallic

first ever Trail Rated® pickup truck

In 1941, the Jeep® Brand opened the door to authentic capability by developing the first Four-Wheel-Drive (4WD) system and, ever since, it's been moving the world forward with industry-changing engineering innovations that give you permission to Go Anywhere, Do Anything.®

COMMAND-TRAC® 4x4 SYSTEM This part-time, shift-on-the-fly system divides torque 50/50 between front and rear axles, shifts smoothly at speeds up to 72 km/h (45 mph) and has a 2.72:1 low-range gear ratio. Standard on Sport S, Overland® and Mojave.

SELEC-TRAC® FULL-TIME 4x4 SYSTEM

This proven system, with its active 4WD transfer case, does all the thinking so you can enjoy the drive. It sends torque to the wheels with the most grip, providing continuous, optimum traction for all types of conditions. The Smart Lock feature keeps the system engaged during off-roading or challenging road conditions. Available on Sport S, Overland and Mojave.

ROCK-TRAC® 4x4 SYSTEM (shown)

Rubicon® rides with this extreme 4WD system. Its 4:1 low-range gear ratio allows Gladiator Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. Standard on Rubicon.

ROCK-TRAC FULL-TIME 4x4 SYSTEM This system offers the capability of Rock-Trac® with the added convenience of a full-time, active transfer case that can provide optimal traction over changing road conditions. Available on Rubicon.

the trademarks that are the benchmarks

Rubicon® in Sarge Green

When you see a Jeep® Gladiator bearing a Trail Rated® badge, you can be sure of its capability in these categories:

ARTICULATION — a higher level of suspension travel allows better control over varied terrain

TRACTION — efficiently transfers power to traverse varied surfaces with consistent grip

GROUND CLEARANCE — approach, breakover and departure angles are all maximized

MANOEUVRABILITY — precise, responsive steering and an optimized wheelbase

WATER FORDING¹² — can traverse water as deep as 76 cm (30 in)

Mojave in Billet Silver Metallic

Gladiator Mojave is Desert Rated®, developed to excel during strenuous testing in five categories:

RIDE CONTROL AND STABILITY — a higher level of suspension travel allows better control over undulating terrain

TRACTION — efficiently transfers power to traverse sand and loose dirt with consistent grip

GROUND CLEARANCE — approach, breakover and departure angles are all maximized

MANOEUVRABILITY — precise steering and an optimized wheelbase fortify expert navigation

DESERT PROWESS — withstands intense heat, coarse sand and intrusive dust

HILL START ASSIST (HSA)

Travel uphill with confidence, knowing this standard feature will help keep Jeep® Gladiator from rolling backward when starting on an uphill gradient.

Rubicon® in Billet Silver Metallic

Mojave in Sting-Grey

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in Four-Wheel-Drive (4WD) traction. An instrument-panel-mounted rocker switch can lock either the rear (on Mojave models) or both (on Rubicon® models) axles. Paired with Rock-Trac® 4WD systems on Rubicon models.

locked-in

yet flexible

OFF-ROAD+ When engaged, it automatically deciphers the type of terrain Jeep Gladiator is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, it tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling manoeuvres. Standard on Mojave and Rubicon models.

FRONT SWAY BAR DISCONNECT SYSTEM Flip a switch and the sway bar can be disconnected in 4-LO and 4-HI, allowing the front suspension to travel up to an additional 30 percent. It reconnects automatically at speeds above 28 km/h (18 mph). Standard only on Rubicon models.

the guts to get you there

SELEC-SPEED® CONTROL Manages vehicle speeds of 0.9 km/h (0.6 mph) to 8 km/h (5 mph) in 4-LO while traversing off-road terrain without requiring the driver to control the throttle or the brake. This helps the driver focus on steering the vehicle, letting Gladiator put the right amount of power or braking onto the ground. Included with the available 8-speed automatic transmission.

SELECTABLE TIRE-FILL ALERT When you're airing down tires for off-road situations, the system will chirp the horn when a pre-selected pressure is reached. When you're adding air back, it chirps the horn upon reaching the recommended on-road pressure. Available.

OFF-ROAD PAGES

Access real-time performance data like suspension travel or keeping an eye on your tilt-and-pitch. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.

STEEL BUMPERS Built with ultra-strong steel to take the punishment of the trails. The front bumper can accept a winch, features integrated LED fog lamps and has removable end caps to help manoeuvre through tight spots. Available on Rubicon® models.

SKID PLATES Up to four skid plates/bars, made from lightweight high-strength steel, help to protect the underbody. Standard.

TOW HOOKS Every Gladiator gets two up front and at least one in back. Rubicon model receives painted Red hooks and the Mojave receives painted Orange hooks.

FORWARD-FACING TRAILCAM OFF-ROAD CAMERA² Mounted within the grille, provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles. Available on Mojave and Rubicon models.

room to breathe

Unfettered open-air freedom in every direction makes Gladiator absolutely unique. Invite the sunshine inside for the ride, along with all the goods you want to carry in the truck bed. Let nothing stop you from feeling the wind in your hair, with no separation between you and the scenery at hand.

Rubicon® in Billet Silver Metallic

SUNRIDER® SOFT TOP

With an easy-to-use zipperless design, its simple operation allows the top to glide open with the help of spring-loaded support bars. Crafted from heavy-duty, waterproof cloth material. Comes in Black. Upgrade to the Premium Sunrider Soft Top with a higher grade of fabric. Available.

Sunrider® Soft Top

Freedom Top® Modular Hardtop

REMOVABLE¹ TOPS

Open-air driving has never been more fun with your choice of the standard Sunrider® Soft Top or available Freedom Top® Modular Hardtop.

REMOVABLE¹ DOORS

Made of lightweight aluminum, the doors are designed for easy removal¹ with the included TORX® tool kit.

FOLD-DOWN WINDSHIELD¹

The aluminum-framed windshield is easy to unfasten, fold down and secure to the hood¹ with available straps.

FREEDOM TOP® MODULAR HARDTOP

This three-piece hardtop is light and easy to remove¹. For a full open-air experience, you can take off¹ all three sections or let in the sun by just removing¹ the two front panels. Standard in Black on Overland® models. Available in Black or body-colour, depending on model.

equal parts rugged and refined

Inspired by Jeep® Brand heritage, this interior is also inspired by modern design, filled with premium materials and creature comforts and infused with the latest leaps in must-have technology.

REMOTE START³

Climb into a pleasantly pre-heated or pre-cooled Jeep Gladiator — 90-m (300-foot) **range**. Available.

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL

Adjusts interior temperature to create separate environments for driver and front passenger. Available.

HEATED FRONT SEATS

You have three adjustments to choose from for each seat, so you can tailor your level of warmth to weather conditions and personal preference. Available.

HEATED STEERING WHEEL

Set this optional feature to automatically warm the full 360° circumference of the wheel when temps dip below 4.4°C (40°F). Available.

HEATED MIRRORS

Keep ice from building up and blocking your view with the safety and security of heated side mirrors. Standard.

REMOTE PROXIMITY ENTRY

Keep the key fob in your pocket, and you can simply open the door, get comfortably seated with your foot on the brake, press the Start button and head out. Available.

Uconnect®

make connections everywhere you go

Uconnect® 4C NAV WITH 8.4-INCH TOUCHSCREEN Its large full-colour, high-definition touchscreen display provides crystal-clear resolution. Available.

DRAG-AND-DROP MENU BAR

We've made it easy to customize your Uconnect® dashboard with your favourite features and services. Simply press the Uconnect icon on the main menu bar to view all of the available apps. Tap and hold any one of the icons to drag and drop into a personalized menu bar. Available.

NAVIGATION

Looking for campsite reservations at your favourite provincial park? Uconnect employs GPS Navigation¹³ for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command and say the complete address to get directions quickly. Available.

PHONE/TEXT

Make hands-free¹⁴ phone calls or use your voice to send a text. Pair up to 10 Bluetooth® enabled phones. See a visual prompt of incoming calls or texts and send an automated reply. Available.

SIRI EYES FREE

Use voice commands with Siri Eyes Free⁵ and your connected iPhone to create and send texts, make and receive calls, access directions, and play music. Available.

APPLE CARPLAY

A smarter, safer way to use an iPhone inside your vehicle and seamlessly integrates it with the Uconnect touchscreen and Siri voice control⁵. The compatibility allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road.⁴ Available.

ANDROID AUTO™

Designed with your personal safety and convenience in mind, Android Auto™⁴ gives you the right information for the road ahead. Connect wirelessly to easily access your favourite music with YouTube Music, and get where you need to go with Google Maps. Talk to Google on Android Auto and get things done with your voice so you can keep your focus on driving.⁴ Easily send messages, get directions, control media and more. Just say, "Hey Google" to get started. Available.

SIRIUSXM connected services

TRIPS ARE ENHANCED WITH INFORMATIVE AND ENTERTAINING APPS. ACCESS THEM ON YOUR UCONNECT® TOUCHSCREEN AS WELL AS YOUR SMARTPHONE. CONNECTED TECHNOLOGY KEEPS YOU LINKED TO A WHOLE NEW WORLD.

SiriusXM Listen to your favourite playlist from your connected device, then flip to SiriusXM⁶ in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 140 channels, all at the press of a button. With the SiriusXM All Access⁶ Package, you get every channel available on your satellite radio, and you can also listen wherever you go on your portable devices with the SiriusXM App⁶, which is included with your one-year trial. Available.

SiriusXM TRAVEL LINK Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link⁸ service are included. Available.

SiriusXM TRAFFIC PLUS Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus⁸ service are included. Available.

Uconnect | **SiriusXM GUARDIAN** Drive worry-free with SiriusXM

Guardian⁷ — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect[®] App. Includes a one-year trial. Available.

SIRIUSXM GUARDIAN SERVICES + UCONNECT® APP

- > **SOS CALL¹⁵** In the event of an incident, push the SOS¹⁵ button. You'll be connected to a SiriusXM Guardian⁷ agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.
- > **ROADSIDE ASSISTANCE CALL¹⁶** puts you in touch with an agent who can get you help while you're out on the road.
- > **LOCK/UNLOCK** your car from virtually anywhere.
- > **START YOUR CAR REMOTELY¹⁷**
- > **FLASH THE LIGHTS** and sound the horn to help find your car.
- > **VEHICLE FINDER¹⁸** allows you to locate your vehicle on a map.
- > **SEND & GO¹⁹** enables you to send destinations to your navigation system.
- > **THEFT ALARM NOTIFICATION²⁰**
Receive alerts by text, email or push notification if your vehicle's available theft alarm is triggered.
- > **STOLEN VEHICLE ASSISTANCE²¹** If the unexpected happens and your vehicle is stolen, this feature will help police locate your vehicle.
- > **FAMILY DRIVE ALERTS** Peace of mind when you hand over the keys. Allows you to set parameters to receive notifications when others are operating your vehicle.

immersive tech from cabin to camp

ALPINE ALPINE® PREMIUM AUDIO SYSTEM

Surround yourself with an exhilarating audio experience that includes nine speakers, an overhead sound bar, an all-weather subwoofer and 552-watt amplifier. The system is enhanced by Active Noise Cancellation. Available.

PORTABLE BLUETOOTH® SPEAKER

Tucked behind the rear seat is a removable, weather-resistant, 25.4 x 13.9 x 6.9-cm (10 x 5.5 x 2.75-in) Bluetooth® speaker you can take outside the cabin. Control buttons allow volume control, play/pause and pairing, while a USB charging port and auxiliary cable input extend functionality. Great for tailgating and camping. Available.

NEW HOME-TO-CAR CONTROL WITH AMAZON ALEXA

Conveniently command your vehicle using your voice with the Jeep® Skill²⁷ for Amazon Alexa on an Alexa-enabled device from the comfort of your home! Just ask Alexa to start/stop the engine, lock/unlock the doors, check fuel status or tire pressure and more. With available Uconnect® Navigation,¹³ you can also ask Alexa to find a business and send the address directly to your vehicle. Available.

organize every outing

A/B. FLEXIBLE REAR SEATING The 60/40 split-folding rear seat can be configured multiple ways. Both seatbacks can be folded down independently, or the seat bottoms can flip up. Standard.

B. LOCKABLE BEHIND-SEAT STORAGE The rear seatbacks can be locked upright using the vehicle key, providing secure and illuminated storage behind the seat, especially helpful when the top is off and the doors are removed! Standard.

C. LOCKABLE GLOVE BOX AND CENTRE CONSOLE These locking compartments are large and provide essential peace of mind. Standard.

D. MODULAR SEATBACK The Jeep® Utility Grid System built into the seatbacks of Rubicon® is an exclusive grid network that supports the addition of flexible storage. Strong nylon-woven straps will accommodate available MOLLE-style bags. Standard on Rubicon models.

E. BINS AND POCKETS The cabin is designed to help you stay organized with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more. The two-tiered centre console has a main bin big enough to fit an iPad and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for cell phone or key fob storage.

F. HARDWARE STORAGE There's even a covered compartment under the rear seat to securely hold the bolts from the top, doors and windshield.¹

Properly secure all cargo.

C

D

E

F

A

Gladiator is designed to help you make the most of its hauling capabilities with clever and useful features built right in.

A. TRADITIONAL STEEL BED Steel crossmembers reinforce the load floor while the aluminum tailgate is damped. Utility and versatility are maximized with strong, integrated tie-downs, under-rail bed lighting and an optional covered external power source.

B

B. CARGO MANAGEMENT GROUP WITH TRAIL RAIL™ SYSTEM Keep cargo organized, secure and easily at hand. Three embedded rails with adjustable tie-down sliders run along the inside of the truck bed and behind the cab. This Group also includes a 240-amp alternator, lockable rear underseat storage, an exterior 115-volt auxiliary power outlet and a 400-watt inverter. Available.

C/D. ROLL-UP TONNEAU COVER Keep the valuables stored in your truck bed covered and protected. Made of extremely durable, water-resistant material, this cover rolls out from the cab and secures at the tailgate. You can flip back the last section to allow loading of longer items while keeping the rest of the tonneau and tailgate closed and secure. Durable straps secure the tonneau in its rolled position. Available.

E. SPRAY-IN BEDLINER This durable and attractive liner is available from the factory, helping to protect the cargo bed from whatever you throw at it. Available.

F. THREE-POSITION SOFT-OPEN TAILGATE The standard lightweight aluminum tailgate is damped for safe and smooth opening and closing. It can be set in three different positions, allowing you to securely transport items of various sizes, including 4 x 8-foot sheet goods.

Properly secure all cargo.

freedom is born from powerful choices

THESE JEEP® BRAND POWERPLANTS OFFER AN IMPRESSIVE MIX OF EFFICIENCY, POWER AND PULL

3.0L ECODIESEL V6 ENGINE

The new available 3.0L EcoDiesel V6 engine provides impressive power, performance and towing capability to take on off-road and on-road challenges as you take on new adventures. It offers 260 horsepower and 442 lb-ft of torque for impressive performance and outstanding low-end strength. So now, you can take your crew and your gear on-road and off-road with confidence. Available on Sport S, Overland® and Rubicon®.

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimized, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep® Gladiator. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades, Four-Wheel-Drive (4WD) gears and towing. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride. Available.

6-SPEED MANUAL TRANSMISSION

For those who prefer to really put themselves into every shift, this one's for you. It hands you low 1st and Reverse gears, which are great for off-roading. It comes standard, matched to either a Command-Trac® 4WD system on Sport, Overland and Mojave or paired with the Rock-Trac® 4WD system on the Rubicon model.

advanced safety & security systems

Jeep® Gladiator envelops you with more than 80 standard and available safety and security features.

ELECTRONIC STABILITY CONTROL (ESC)⁹

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you veering off your intended path. ESC⁹ coordinates a range of safety systems, sending them into action when needed. Standard.

ADAPTIVE CRUISE CONTROL WITH STOP² The system automatically adjusts cruising speed to maintain a pre-set distance between you and the vehicle ahead and can bring Gladiator to a complete stop without driver intervention to help avoid a collision. Available.

ULTRASONIC AND ANTI-TILT SECURITY SYSTEM

The alarm is activated by virtually any unauthorized movement, such as wheel removal or towing; illegal opening of a door, hood or swing gate; ignition start; cutting of battery leads; or motion inside the cabin. Available.

FORWARD-FACING TRAILCAM OFF-ROAD CAMERA²

This front-mounted camera gives you a close-up view of the trail directly in front of Gladiator so you can spot challenging objects in time to outmanoeuvre them. A “Clean Camera” button on the touchscreen helps you keep the lens free of dirt. Available on Mojave and Rubicon.[®]

ANTILOCK BRAKE SYSTEM (ABS) WITH

HEAVY-DUTY BRAKES This system senses and helps prevent wheel lockup while braking, offering improved steering control in slippery conditions. When a rough road is detected, ABS adjusts to maximize braking on a loose surface. Standard.

BODY STRENGTH The exceptionally solid safety cage consists of high-strength steel paired with lightweight aluminum, making Gladiator lighter in weight while still providing a very strong chassis. Standard.

Properly secure all cargo.

ADVANCED SAFETY & SECURITY SYSTEMS

When it comes to your well-being on the road, Jeep® Gladiator is ready and willing to stand as a constant guardian. Active and passive safety and security features are always working for you. Sensors and cameras keep watch around your perimeter for complete peace of mind.

BLIND-SPOT MONITORING² AND REAR CROSS-PATH DETECTION²

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

PARK-SENSE® REAR PARK ASSIST SYSTEM²

Works in tandem with the ParkView® Rear Back-Up Camera² to display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 6 km/h (4 mph), the system will automatically bring the vehicle to a stop if an object is detected. Available.

FULL-SPEED FORWARD COLLISION WARNING PLUS²

Uses radar and sensors to video-detect when you may be approaching another vehicle too rapidly. An audible and visual alert is given or the system assists the driver in mitigating a potential collision. Available.

HILL START ASSIST (HSA)

Take to the hills fully loaded with confidence and a bed filled with goods. HSA works to prevent your vehicle from rolling when starting on an uphill gradient. Standard.

LED LIGHTING GROUP Maintain a unique — and safe — presence after dark, and add extra visual security during the day. The traditional round headlamps are equipped with unique daytime running lamps (DRLs), and the Group's LED headlamps, taillamps and front LED fog lamps enhance visibility during inclement weather. Available.

PARKVIEW® REAR BACK-UP CAMERA² WITH AVAILABLE TRAILER HITCH ZOOM² When the vehicle is in Reverse, the Uconnect® screen displays a wide-angle view of what's immediately behind your vehicle, revealing objects that may have been out of your sight line (along with hearing an audible warning). On-screen dynamic grid lines help you see your back-up path or line up a trailer to your hitch. Standard. You'll also be able to keep an eye on your tow load while in motion. Available.

Rubicon® in Firecracker Red

RUBICON® Bearing the name that stands for ultimate mastery within the Jeep® Brand, Gladiator Rubicon® arrives with all the features that make it worthy to master the world's most challenging terrain. The Rock-Trac® Four-Wheel-Drive (4WD) system and an electronic sway bar disconnect are supported by off-road Dana® 44 axles. The front and rear selectable lockers, plus FOX® 2.0 performance shocks, raise its capability to the greatest of heights. A full complement of skid plates helps keep it all protected. Inside, the cabin boasts a long list of premium standard features.

Rubicon® in Bright White

Overland® in Black

The Overland® nameplate promises the best of all worlds: authentic Jeep® Brand capability paired with exceptional exterior and interior features. Body-colour fender flares, side steps and Silver grille inserts along with a standard Black or available body-colour three-piece Freedom Top® Modular Hardtop add prestige to its profile. Inside, premium cloth seats bear the Overland logo. A 7-inch full-colour Driver Information Display, a Uconnect® 4 radio with a 7-inch full-colour touchscreen, Dual-Zone Automatic Temperature Control and seven USB ports are just some of the refined standard features that add comfort and convenience.

MOPAR VEHICLE PROTECTION FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES 2021 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.

*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1. Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. 2. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 3. Only available with automatic transmissions. 4. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at q.co/androidauto/requirements. 5. Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 6. Requires SiriusXM radio subscriptions governed by SiriusXM Canada Customer Agreement available at siriusxm.ca/terms. 7. All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 8. SiriusXM Traffic Plus and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 9. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 10. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 11. Based on the *WardsAuto* Small Pickup 4x4 Crew Cab Segmentation. When properly equipped. 12. Do not attempt water fording unless depth is known to be less than 76 cm (30 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 13. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 14. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 15. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 16. Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 17. Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 18. To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 19. Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 20. Theft Alarm Notification is compatible with factory-installed alarms only. 21. Stolen vehicle police report required. 22. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years CY 2014 to CYTD September 2019. 23. Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. Miles per gallon (mpg) ratings based on imperial gallon. 24. Vehicle must be locked and system activated for alarm to sound. 25. Not compatible with all garage door openers. 26. The Jeep SUV Brand has received more awards in its lifetime than any other SUV brand. 27. Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Late availability. Amazon, Alexa and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates.
