these roots have run deep since 1941

Born as a purpose-built 4x4 for the front lines in 1941, Jeep® 4x4s soon transitioned from the battlefields to the farm fields and backroads, where they diligently kept up with hard daily use, in industry and recreation alike. Through 80 years and all manner of terrain and weather, a growing lineup of Jeep® 4x4s has consistently moved the bar with strong drivetrains, innovative engineering and quality components that stand out from all other 4x4 SUVs.

Rubicon® shown in Billet Silver Metallic
With a heritage spanning over 80 years, Jeep® Wrangler is purpose-built to take you to places others only dream of reaching. Its award-winning pedigree puts authentic Jeep Brand 4x4 capability at your command while enjoying a cabin filled with plenty of comforts and technology features. A long list of standard and available safety features delivers welcome peace of mind.

most awarded SUV brand ever

Black Book® Award
Best Retained Value

2020 Jeep® Wrangler Two-Door has the lowest 5-Year Cost to Own in its class by Kelley Blue Book’s KBB.com*

*Based on vehicles available in the U.S. market. 2020 model-year vehicle’s projected cost to own for the initial five-year ownership period is based on the average Kelley Blue Book 5-Year Cost to Own data which considers depreciation and costs such as fuel and insurance. For more information, visit www.kbb.com.
LET IT ALL IN Nothing says open-air freedom like a Wrangler with its top down. Choose the style that you like best, whether it’s an available Sky One-Touch™ Power Top, Sunrider® Soft Top or available Freedom Top™ Modular Hardtop (available in both Black and body-colour), then start planning where to head for your next sun-filled outing.
original and one-of-a-kind

Like nothing else with a pedigree over 80 years strong, Jeep® Wrangler stands out by giving you the ability to overcome anything the road puts before you.

STEEL BUMPERS  Built with ultra-strong steel to take the punishment of the trails. The front bumper is primed to add a winch, features integrated LED fog lamps and has removable end caps to help manoeuvre through tight spots. Available on Rubicon®.

SKID PLATES  Made from high-strength steel for weight savings and increased strength. Four skid plates/bars protect the underbody. The automatic transmission skid plate enables crossmember removal for weight savings.

TOW HOOKS Every Wrangler gets two up front and one in back. Rubicon receives painted Red hooks.
lock in to off-road adventure

**COMMAND-TRAC® 4x4 SYSTEM** This part-time, shift-on-the-fly system divides torque 50/50 between front and rear axles for tough traction and all-weather capability. The NV241 GII transfer case shifts smoothly from Two-Wheel Drive (2WD) to Four-Wheel Drive (4WD) at speeds up to 72 km/h (45 mph). For serious rock crawling, its 2.72:1 low range ensures confidence. Standard on Sport and Sahara.®

**SELEC-TRAC® FULL-TIME 4x4 SYSTEM** With its proven, active 4WD transfer case, Selec-Trac® does all the thinking so you can concentrate on the scenery. Selec-Trac analyzes the situation for you and sends torque to the wheels with the most grip. The system provides continuous, optimum traction that effortlessly conquers snow, ice, rocks, mud and everything in between. The system’s Smart Lock maintains constant 4WD action when you take to the trail or face challenging road conditions. Available on Sahara and Sport.

**ROCK-TRAC® 4x4 SYSTEM** Rubicon® rides with this extreme 4WD system. Its 4:1 low-gear ratio allows Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. Standard on Rubicon.

**ROCK-TRAC FULL-TIME 4x4 SYSTEM** This system offers the capability of Rock-Trac® with the added convenience of a full-time, active transfer case that can provide optimal traction over changing road conditions. Available on Rubicon.
tested to master the most challenging terrains

5

maneuvrability
Every Wrangler is born with the athletic ability to navigate narrow gaps and emergency situations with precision steering, optimized wheelbases and a tight turning radius.

articulation
Suspension systems enhance on- and off-road performance by maximizing flexibility, axle articulation and wheel travel. The articulation helps to keep all four wheels on the ground, providing greater control over rough terrain and obstacles.

water fording®
Traverse waterways with confidence, thanks to additional electrical and body seals, plus a high air-intake location. Wrangler has the capability to safely manage in up to 76 cm (30 in) of water. Always inspect all waterways before proceeding.

traction
Helps you maintain controlled forward motion on snowy back roads and over icy urban bridges. You can climb steep sand dunes and master muddy tracks. Your Trail Rated® Wrangler has the traction within to master all kinds of topography and driving conditions.

ground clearance
Head out knowing that your Trail Rated vehicle was designed to clear logs, rocks and uneven ground. Your undercarriage is protected, too, with forged skid plates that cover valuable underbody elements.

EVERY TRAIL RATED® JEEP, WRANGLER is engineered for exceptional off-road performance. Its Trail Rated badge ensures that Wrangler can master the toughest road and weather conditions. In your Trail Rated Jeep® Wrangler, you're in command of exclusive, authentic Four-Wheel-Drive (4WD) capability. Confidently move forward to see what the world is really made of.

Always off-road responsibly in approved areas.
HILL DESCENT CONTROL (HDC) is packaged with the 3.6L Pentastar™ V6 engine with eTorque and the 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

OFF-ROAD PAGES Access real-time performance data like suspension travel or keep an eye on your tilt-and-pitch. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.

THE FORWARD-FACING TRAILCAM OFF-ROAD CAMERA® aids in off-road navigation. Grid lines display the path in front of the tires to help you pick the best line for any obstacle, and an integrated washer lets you clean any mud splatter from the camera with the simple push of a button. Available.

HILL START ASSIST (HSA) works to prevent Wrangler from rolling when starting on an uphill gradient. Standard.
STATE-OF-THE-ART TOUCHSCREEN/INTUITIVE INTERFACE

Command a range of cabin comforts and features from your touchscreen. Set temperature controls, activate available heated seats and steering wheel, and so much more. A drag-and-drop menu bar allows you to highlight your top six favourite features and services so they’re always in sight on your available 7- or 8.4-inch Uconnect® touchscreen display.

NAVIGATION
Looking for your next on- or off-road adventure? Uconnect employs GPS Navigation³ for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command¹⁰ and say the complete address to get directions quickly. Available.

PHONE/TEXT
Make hands-free¹⁰ phone calls or use your voice to send a text. Pair up to 10 Bluetooth® enabled phones. See a visual prompt of incoming calls or texts and send an automated reply. Available.

SIRI EYES FREE
Use voice commands with Siri Eyes Free¹¹ and your connected iPhone to create and send texts, make and receive calls, access directions, and play music. Available.

A smarter, safer way to use an iPhone inside your vehicle and seamlessly integrates it with the Uconnect touchscreen and Siri voice control.¹¹ The compatibility allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road.¹¹ Available.

Designed with your personal safety and convenience in mind, Android Auto™ works with your connected iPhone to create and send texts, make and receive calls, access directions, and play music. Available.
Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

Listen to your favourite playlist from your connected device, then flip to SiriusXM® in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You’ll get over 140 channels, all at the press of a button. With the SiriusXM All Access® package, you get every channel available on your satellite radio, and you can also listen wherever you go on your portable devices with the SiriusXM App, which is included with your one-year trial. Available.

Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link® service are included. Available.

Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus® service are included. Available.

Drive worry-free with SiriusXM Guardian® — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year trial. Available.

**SIRIUSXM GUARDIAN® SERVICES + UCONNECT® APP**

> **SOS CALL** In the event of an incident, push the SOS button. You’ll be connected to a SiriusXM Guardian agent who contacts 9-1-1, provides your location, and stays on the line with you until help arrives.

> **ROADSIDE ASSISTANCE CALL** puts you in touch with an agent who can get you help while you’re out on the road.

> **LOCK/UNLOCK** your car from virtually anywhere.

> **START YOUR CAR REMOTELY**

> **FLASH THE LIGHTS** and sound the horn to help find your car.

> **VEHICLE FINDER** allows you to locate your vehicle on a map.

> **SEND & GO** enables you to send destinations to your navigation system.

> **THEFT ALARM NOTIFICATION** Receive alerts by text, email or push notification if your vehicle’s available theft alarm is triggered.

> **STOLEN VEHICLE ASSISTANCE**

> **FAMILY DRIVE ALERTS** Peace of mind when you hand over the keys. Allows you to set parameters to receive notifications when others are operating your vehicle.
ALPINE® PREMIUM SOUND SYSTEM  Everyone is surrounded and rides within an exhilarating audio experience with nine speakers, including an overhead sound bar, all-weather subwoofer and 552-watt amplifier. The system is enhanced by Active Noise Cancellation. Available.
keep it all in order

Everything has a place with the many clever and convenient storage options designed into Wrangler. Stay organized, with important items right at hand. With phones and devices conveniently stowed, you’re able to find them quickly, then get out and go. Wrangler Unlimited offers 2,050 L (72.4 cu ft) of cargo room with the rear seats folded, so you can go all out when you get it all in.

A) TRAIL RAIL™ CARGO MANAGEMENT SYSTEM
This versatile system, optional on all Wrangler models, lets you accessorize your cargo-carrying capability. It includes aluminum rails on the tailgate and cargo floor, along with cargo anchors that lock into place (four anchors included with two-door models, six with four-door models). Then, choose to add further utility with the available Tailgate Table from Mopar®.

B) IN-FLOOR STORAGE BIN
Store larger items, like computers and tools, within a hidden storage area under the cargo floor, behind the second row of seats. The lid secures when the swing gate is closed for convenient peace of mind.

C) MODULAR SEATBACK JEEP® UTILITY GRID SYSTEM
Exclusive to and integrated into the Rubicon® front seatbacks, it allows for additional flexible storage options. Durable nylon woven straps accommodate available Modular Lightweight Load-carrying Equipment (MOLLE)-style bags. An available Mopar Kit includes a set of three bags (small, medium and large), each with attachment straps and featuring the Jeep® Brand logo.

D) BINS AND POCKETS
The two-tiered centre console has a main bin big enough to fit an iPad and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for cell phone or key fob storage. Storage nets on doors and trays help keep the cabin neat and tidy.
travel with confidence

3.0L ECODIESEL V6 ENGINE
Turbocharged to deliver exceptional responsiveness, the 3.0L EcoDiesel produces strong, out-of-the-gate takeoffs, thanks to 260 horsepower and 442 lb-ft of torque. Even more, it hands over the confidence to pull loads up to 1,588 kg (3,500 lb), when properly equipped. And, because diesel fuel converts to a greater amount of usable energy compared to gasoline, it helps deliver excellent fuel efficiencies. Available on Unlimited models.

CANADA’S BEST-SELLING ENGINE:
3.6L PENTASTAR™ V6 ENGINE
The standard mate for the 6-speed manual transmission, this engine performs with smooth confidence. Welcome efficiencies arrive with Engine Stop/Start (ESS) technology while remaining a brawny performer, boasting 285 horsepower and 260 lb-ft of torque.

3.6L PENTASTAR V6 ENGINE WITH eTORQUE
The legendary Pentastar™ V6 engine gets a boost with eTorque. By including this efficient feature, you’ll gain fuel-saving/energy-generating functions that include Auto Stop/Start, electric power assist, extended fuel shutoff, transmission shift management, intelligent battery charging and regenerative braking. With eTorque, there’s also additional low-end torque for extra starting power and exceptional rock crawling. Standard with an 8-speed automatic transmission. Available.

2.0L TURBO ENGINE
Direct injection boosts power while reducing emissions, and ESS technology helps improve fuel economy. This engine achieves 270 horsepower and 295 lb-ft of torque, and with its standard match to the 8-speed automatic transmission, you’ll enjoy strong takeoffs and smooth highway coasting. Available.

6-SPEED MANUAL TRANSMISSION
Here, you’re handed low 1st and Reverse gears, which are great for off-roading, with a vent tube that can be moved to help safely traverse higher water fording® levels. It comes standard, matched to either a Command-Trac® 4x4 System on Sport and Sahara® or paired with the Rock-Trac® 4x4 System on Rubicon®.

8-SPEED AUTOMATIC TRANSMISSION
With smooth, quick efficiency, this transmission provides additional gears with no gain in weight, enhanced acceleration with reduced fuel consumption and increased torque with added strength to pull. Available.

PULLING POWER
Wrangler Unlimited models can confidently tow up to 1,588 kg (3,500 lb) when properly equipped with the available Trailer Tow and HD Electrical Group. Wrangler is also ideal for towing behind an RV.

Properly secure all cargo. Always tow within the vehicle’s capacity.

Sahara® Unlimited in Granite Crystal Metallic
more fun
with more sun

In just a few minutes, you can be one with the world around you. Open the three-piece hardtop, in sections or all at once. Take off the easy-to-remove doors, then a simple “flip and clip” lowers and secures the windshield. Hello, open-air freedom.

DUAL TOP GROUP
**SUNRIDER® SOFT TOP**  Standard on Wrangler Sport and Rubicon, and available with the Dual Top Group on Sahara, with an easy-to-use zipperless design. Its simple operation allows the top to glide open with the help of spring-loaded support bars. Crafted from heavy-duty, waterproof cloth material. Available in Black or Heritage Tan.

**FLIP BACK AND RELAX**  Smart fabric management and an easy-to-use retraction handle let you bring in fresh air faster than ever with minimal effort.

**GET A REALLY NICE TAN**  In addition to Black, the Sunrider Soft Top is available in an attractive Heritage Tan, giving you a second choice of top colour.

**FREEDOM TOP® MODULAR HARDTOP**  This three-piece Modular Hardtop is light and easy to remove. For a full open-air experience, you can remove all three sections or let in the sun by just removing the two front panels. Available (Standard in Black on Sahara Unlimited.)

**SKY ONE-TOUCH™ POWER TOP**  Invite in the fresh air with the push of a button, thanks to this power-to-open top. Open up even more with the easy-to-remove rear glass quarter panels. Available on Sahara and Rubicon Unlimited only (cannot be combined with other roof options).
advanced safety & security systems

Wrangler is ready and willing to stand as a constant guardian to help ensure your well-being on the road. More than 75 standard and available safety and security features, sensors and cameras stay on alert for your peace of mind.

**BLIND-SPOT MONITORING® AND REAR CROSS-PATH DETECTION®** Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind-spots are encroached. Available.

**PARK-SENSE® REAR PARK ASSIST SYSTEM®** Works in tandem with the ParkView® Rear Back-Up Camera® to display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 6 km/h (4 mph), the system will automatically bring the vehicle to a stop if an object is detected. Available.

**ELECTRONIC STABILITY CONTROL (ESC)®** A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you’re veering off your intended path. ESC® coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control and available Trailer Sway Control (TSC), sending them into action when needed. Standard.

**SELECTABLE TIRE-FILL ALERT** When airing down tires for off-road situations, the system will chirp the horn when a pre-selected pressure is reached. When adding air back, it chirps the horn upon reaching the recommended on-road pressure. Available.

**PARALLEL AND PERPENDICULAR PARK/UNPARK ASSIST®** This active guidance system controls steering automatically. Let the system’s ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive, as needed. Available.

**HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC)** HSA works to prevent Wrangler from rolling when starting on an uphill gradient. HDC is packaged with the 3.6L Pentastar™ V6 engine with eTorque and the 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

**SAFETY GROUP** Includes LED taillamps, Park-Sense® Rear Park Assist System®, and Blind-Spot Monitoring® and Rear Cross-Path Detection®.
the confident road forward

**LED LIGHTING GROUP** Maintain a unique — and safe — presence after dark, and add extra visual security during the day. The traditional round headlamps are equipped with unique daytime running lamps (DRLs), and the LED headlamps, taillamps and front LED fog lamps enhance visibility during inclement weather. Available.

**SIRIUSXM GUARDIAN® WITH SOS CALL® AND ROADSIDE ASSISTANCE CALL®** Provides help in the event of an emergency while out on the road. Press the SOS button on the rearview mirror to be connected to an agent who can direct emergency assistance to your location. Press the Assist button on your rearview mirror, followed by Roadside Assistance on your touchscreen, to speak to an agent who can send roadside help. Available.

**PARKVIEW® REAR BACK-UP CAMERA® WITH TRAILER VIEW** When the vehicle is in Reverse, the Uconnect® screen displays a wide-angle view of what’s immediately behind your vehicle. You’ll see objects behind you that may have been out of your sight line (along with hearing an audible warning) — all in good time to react. On-screen dynamic grid lines help you see your back-up path or line up a trailer to your hitch. You’ll also be able to keep an eye on your tow load while in motion. Standard.

**TRAILER SWAY CONTROL (TSC)** Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control, TSC helps keep you and the toys you tow safely on course. Standard.
2021 Wrangler
buyer’s guide
Its iconic cabin features available Redical Anodized mid-dash panels, adding Red accent stitching to the optional leather-trimmed interior. Choose to add a factory-installed auxiliary switchbank that lets you add up to four accessories and control them from your dash.

The standard 7-inch full-colour Multi-View Display scrolls through data, controlled via the Jeep® Brand steering wheel.

Standard features include 33-inch All-Terrain tires, locking front and rear Dana® 44 heavy-duty axles, electronic sway bar disconnect, Rock-Trac® 4:1 transfer case with a crawl ratio of up to 84:1, steel off-road rock rails and skid plates, and a vented power dome hood.

HIGH ALTITUDE is designed to capture attention on the street while elevating your comfort inside the cabin. The LED Lighting Group, which includes headlamps, fog lamps and taillamps, adds attitude, and standard wide-track axles give it a bold stance. The 20-inch wheels, body-colour fender flares, Freedom Top® Modular Hardtop and bumpers help it stand out. Inside, premium leather-trimmed seats, a leather-wrapped steering wheel, and a Uconnect® 4C NAV multimedia centre with an 8.4-inch touchscreen, including SiriusXM Guardian,3 SiriusXM Traffic Plus12 and SiriusXM Travel Link12 along with the Alpine® Premium Sound System, are welcome standard features.
2021 Wrangler Special Editions

Your quest for freedom can be realized in a Jeep® Wrangler that’s as unique as you are. These Special Editions each offer a combination of luxurious interior features and finessed exterior style, all backed by authentic capability.
