HIGH ALTITUDE IN BILLET SILVER METALLIC SHOWN WITH DRIVER ASSIST GROUP I

LOOK, **THE WORLD'S** A BIG PLACE

Invite more light into the cabin with the available Dual-Pane Panoramic Power Sunroof. With the power sunshade, there's more than an amazing way of looking at the world — you'll experience a new world of fresh-air freedom altogether.

Jeep[®] Compass is as eye-catching as it is functional with an available Gloss Black roof. It seamlessly integrates with the Dual-Pane Panoramic Power Sunroof, conveying a design of contemporary sophistication.

Properly secure all cargo.

HANDS-FREE CARGO ACCESS

MAKE ROOM **FOR MORE**

The available hands-free power liftgate eliminates fumbling with packages and keys while loading into the cargo area. This convenient feature opens your rear liftgate automatically — just keep the key fob with you and swipe your foot under the rear bumper. The available height-adjustable cargo floor adjusts to three different levels to accommodate your cargo needs. Flip the second-row seats forward to reveal a generous 59.8 cu ft of total cargo room.

TRAILHAWK® **GETS TOUGH** ON ROUGH TERRAIN

TRAIL RATED® CAPABILITY • JEEP® ACTIVE DRIVE LOW WITH HILL DESCENT CONTROL
OFF-ROAD SUSPENSION SYSTEM SKID PLATES • 20:1 CRAWL RATIO • FRONT AND REAR TOW HOOKS
AGGRESSIVE APPROACH AND DEPARTURE ANGLES • UNIQUE 17-INCH ALUMINUM WHEELS WITH ON-/OFF-ROAD TIRES
SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM WITH ROCK MODE • 1-INCH INCREASED HEIGHT

TRAILHAWK® IN STING-GRAY SHOWN WITH TRAILHAWK ELITE GROUP AND SUN & SOUND GROUP

CAPABILITY MEETS EFFICIENCY

Each Jeep® Active Drive System can send up to 100 percent of available torque to any one wheel, virtually assuring your command over any terrain.

With the help of a rear-axle disconnect, these Jeep® Brand systems can actively transition from Four-Wheel Drive (4WD) into fuel-saving Front-Wheel Drive (FWD), delivering both efficiency and capability when you need it.

Jeep Active Drive — Its fully automatic, single-speed Power Transfer Unit (PTU) delivers a seamless performance, moving in and out of 4WD at any speed. Includes All-Speed Traction Control that helps deliver an all-weather boost in capability.

Jeep Active Drive Low — Exclusively featured on Trailhawk® with a single-speed PTU that offers torque management and 4WD Low Mode. When in Low, the system delivers additional power at low speeds, giving you the ability to crawl over boulders or navigate through up to 19 inches of water¹⁰ with confidence, thanks to a 1-inch increase in ride height and a crawl ratio of 20:1.

JEEP COMPASS
4x4 SYSTEMS

SELEC-TERRAIN[®] TRACTION MANAGEMENT SYSTEM

NEW TOGGLE SWITCH

Every Jeep[®] Compass equipped with available 4x4 capability arrives with a Jeep Selec-Terrain[®] Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. Its selectable dial features Sand/Mud, Snow and Auto settings and, exclusive to Trailhawk[®], Rock Mode that doubles down on traction control to help master challenging conditions during on- or off-road travels. And now, with the new toggle switch located in the raised center console, it's easier than ever to adjust the system to deliver the traction you need to keep you moving forward.

THE MODES OF SELEC-TERRAIN®

This powerful traction management system lets you match your capabilities to the road ahead. It effectively coordinates several vehicle systems, depending on the mode you select, so you're always making the most of your Jeep® Brand Four-Wheel-Drive (4WD) system.

SAND / MUD

Converts to a uniquely calibrated mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces. Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

AUTO

In this mode, Selec-Terrain® does the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

SNOW

Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

ROCK

Delivers Trail Rated® 4WD Low capability thanks to its locking rear differential, allowing you to crawl over rugged terrain at appropriately safe speeds. Hill Descent Control adds a welcome measure of confidence in Rock Mode as well. Exclusive to Trailhawk®.

NEW, SIGNATURE RED AND BLACK HOOD DECAL

TRAILHAWK® ELITE GROUP

- Premium Trailhawk® leather-trimmed bucket seats with ventilated front seats
- Power 8-way driver's and front-passenger seats with power 2-way lumbar adjust and driver's-seat memory
- Uconnect® 5 NAV with 10.1-inch, full-color touchscreen display, GPS Navigation and much more
- Heated front- and second-row seats
- Heated leather-wrapped steering wheel
- Windshield wiper de-icer
- Remote Start System¹¹
- Foot-activated power liftgate
- Premium LED projector headlamps, premium taillamps, premium LED fog lamps and Auto High-Beam Headlamp Control
- 10.25-inch, digital, full-color Driver Information Display
- Second-row Type C USB port¹ and 115-volt auxiliary power outlet
- Reversible carpet/vinyl cargo mat

Explore the wide world with confidence, backed by authentic Jeep® Brand 4x4 capability. The Trail Rated® Trailhawk empowers you to conquer virtually any terrain you encounter. All along the way, you're accompanied by a long list of standard and available creature comforts, plus an array of more than 75 standard and available safety and security features. The Trailhawk cabin style is distinctive too, with its standard 10.1-inch, full-color Uconnect 5 touchscreen radio dominating the dash and a standard 7-inch full-color Driver Information Display. Ruby Red and Diesel dual accent stitching stands out on the cushioned seating, as well as the textured instrument panel with Ruby Red accent stitching. The Trailhawk logo is embroidered in Ruby Red on the front seatbacks, a proud announcement of this vehicle's authentic DNA.

THE ELEMENTS OF A STRONG PERFORMANCE

The all-new Jeep® Compass combines strength of purpose with the ability to travel further between fill-ups. You'll also be empowered with the capability to pull and pass when the need arises. All in all, you'll find that Jeep Compass makes a notable and exciting entrance and will continue to earn high marks, whether you're driving around the corner to the market or taking a road trip across the country.

2.4L TIGERSHARK® MULTIAIR® 2 I-4 ENGINE Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. This Tigershark® engine serves as an impressive fuel-efficient workhorse for Compass. Standard.

ENGINE STOP/START (ESS) TECHNOLOGY This welcome feature on Jeep® Brand engines helps minimize emissions while optimizing efficiency. ESS seamlessly turns off the engine at stops, then restarts it when the brake pedal is released and the transmission is engaged. Standard.

9-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK Smooth gear transitions through all nine gearshifts deliver a ride that feels luxurious and confident. Efficiencies are maximized, and performance is optimal at all times. Standard on 4x4 models.

6-SPEED AUTOMATIC TRANSMISSION WITH AUTOSTICK This compact, lightweight transmission offers a high-precision clutch that's smooth and responsive. It's a highly efficient performer that helps realize economies, thanks to its next-generation electronics. Standard on Front-Wheel-Drive (FWD) models.

10.25-INCH, DIGITAL DRIVER INFORMATION DISPLAY (DID) WITH 24 SCREENS

Spanning virtually the entire driver's instrument cluster viewing area, this all-new, digital, full-color Driver Information Display (DID) holds a vast amount of critical vehicle data. Within 24 customizable display screens accessed via steering wheel controls, drivers can see vital performance stats, navigation instructions and much more — all on demand. High-definition graphics are crisp and bright. Available.

AVAILABLE WIRELESS CHARGING PAD

Simply stash your smartphone in this designated cubby, conveniently located in the raised center console, and it recharges while it rests. No USB cords or connectivity required via this safe and smart technology. Available.

NEW STEERING WHEEL DESIGN With its sporty, compact design and driver air bag,¹⁴ the new, multifunctioning steering wheel puts the controls of many vehicle functions conveniently at hand. Drivers can access and adjust entertainment and communication features, Driver Information Display screens, safety and security features such as available Adaptive Cruise Control with Stop & Go¹⁵ and Highway Assist System,¹⁶ and much more via smartly located buttons.

Get in and get going without fumbling for keys. Keep the key fob in your purse or pocket, grab the door handle and climb in. Once inside, start the engine by pressing your foot on the brake and pushing the Start / Stop button, then shift out of Park. With Keyless Enter 'n Go,TM you're up and running, just like that. Available.

AUDIO **ACHIEVEMENT**

NINE SPEAKERS AND A 12-CHANNEL,
506-WATT AMPLIFIER

ALPINE®

The available nine-speaker Premium Alpine® Sound System is known for its outstanding tonal balance and definition. This system helps create a haven of audio enjoyment, delivering an impressive, realistic sound experience. It features a 12-channel, 506-watt amplifier and nine perfectly placed speakers, plus an 8-inch subwoofer, that work together in optimal harmony.

SURROUND YOURSELF
WITH PRO-QUALITY SOUND

Uconnect®

NEW ALEXA BUILT-IN⁹

Ask Alexa to stream music, navigate to points of interest, check the weather, view your calendar, build shopping and to-do lists or answer general questions. Available.

NEW JEEP APP.⁵

Jeep

360° SURROUND-VIEW CAMERA SYSTEM²¹

The next big thing has arrived in a Jeep® Compass to give you a composite bird's-eye view of your vehicle's positioning on all four sides, displayed on the large Uconnect® screen. This system works to assist with parking maneuvers, helps you see blind spots and assists in detecting objects that may not be visible otherwise. Available.

LOOK IN **ALL DIRECTIONS**

MORE ACTIVE STANDARD SAFETY AND SECURITY FEATURES THAN EVER

The all-new Jeep® Compass makes a dramatic step forward, offering an impressive list of standard and available, technically advanced, active systems that keep watch over you and your passengers during your travels. Via an array of cameras and sensors, Compass monitors all around its perimeter, acting as a modern sentry on alert and ready to help you arrive at your destination, safe and sound.

STANDARD:

- FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING²²
- BLIND SPOT MONITORING (BSM)²³ AND REAR CROSS-PATH DETECTION²¹ SYSTEMS
- ACTIVE LANE MANAGEMENT SYSTEM²⁴
- PEDESTRIAN AND CYCLIST DETECTION WITH AUTOMATIC EMERGENCY BRAKING²²
- PARKVIEW® REAR BACK-UP CAMERA²¹
- SEVEN AIR BAGS,¹⁴ INCLUDING FULL-LENGTH SIDE-CURTAIN AIR BAGS¹⁴

AVAILABLE:

- 360° SURROUND-VIEW CAMERA SYSTEM²¹
- PARALLEL / PERPENDICULAR PARK & UNPARK ASSIST SYSTEM²⁵
- PARKSENSE® FRONT AND REAR PARK ASSIST SYSTEM²⁵
- HIGHWAY ASSIST SYSTEM¹⁶
- TRAFFIC SIGN RECOGNITION²⁶

LIMITED IN LASER BLUE PEARL

PARALLEL/PERPENDICULAR PARK & UNPARK ASSIST SYSTEM²⁵ This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive as needed. Unpark Assist²⁵ helps you navigate your way out of parking spots. It controls the vehicle's steering while providing the driver with gear and braking instructions. Available.

PEDESTRIAN AND CYCLIST DETECTION WITH AUTOMATIC EMERGENCY BRAKING²²

Cameras and sensors monitor the road ahead, scanning to detect potentially dangerous situations. Should an issue be sensed, drivers are provided a warning, and the vehicle automatically decelerates to help avoid an impending collision with a pedestrian or cyclist ahead. Standard.

ON GUARD WHEN **YOU'RE ON THE GO**

SEVEN STANDARD AIR BAGS¹⁴ Full-length side-curtain, seat-mounted side thorax, driver's inflatable knee bolster and advanced multistage front air bags¹⁴ all work together to help provide robust protection.

ACTIVE LANE MANAGEMENT SYSTEM²⁴

A new, safety and security feature that measures your position within lane boundaries. If the system detects an unintentional lane drift, it will alert you and correct the vehicle back into its lane. Standard.

JEEP® COMPASS TRAILHAWK® This off-roading, all-weather star arrives with Jeep® Active Drive Low with Hill Descent Control and a 20:1 crawl ratio that can tackle the most rugged trails with ease. An off-road suspension with a full set of skid plates and unique front and rear off-road fascias with aggressive approach and departure add even more capability. With 17-inch painted Diamond-Cut aluminum wheels and On-/Off-Road tires, three Red tow hooks (two front and one rear), standout badging, a two-tone Gloss Black roof and redesigned signature hood decal, Trailhawk® definitely makes an aggressive impression. Premium cloth and leather-trimmed seats with special front and rear floor mats, a 7-inch full-color Driver Information Display and a standard 10.1-inch Uconnect® 5 full-color radio are highlights in the interior.

AUTHENTIC JEEP® BRAND VEHICLE ACCESSORIES

When it comes to Jeep® Compass, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Jeep® Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That's because they're original equipment, engineered by the same people who designed your vehicle, which means you can personalize your ride with complete confidence.

Mopar is also more than parts and accessories. We're here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in, out and back on the road again. From parts and accessories to expert service and more, always be sure to choose Mopar. Learn more at mopar.com

(1) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (2) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (3) SiriusXM Audio, SiriusXM Traffic and SiriusXM Travel Link require subscriptions, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. (4) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (5) You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (6) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (7) To use Android Auto on your phone screen, you'll need an Android phone running 6 or higher and the Android Auto App. (8) Vehicle must be enrolled in an active subscription with SiriusXM Guardian. (9) Available on properly equipped vehicles with a Uconnect 5C / 5C NAV system. Requires a Wi-Fi Hotspot plan and linked Amazon account to run Alexa in the vehicle. (10) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (11) Check state and local laws regarding the use of remote start systems. (12) Based on manufacturer's estimated (31 hwy mpg 4x2 auto; 30 hwy mpg 4x4 auto) and 13.5-gallon fuel tank. Actual mileage may vary. (13) Based on manufacturer's estimated fuel rating when equipped with the 2.4L engine and 6-speed manual transmission, FWD models. Actual mileage may vary. (14) Always sit properly in designated seating positions with seat belts securely fastened at all times. (15) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (16) HAS requires the driver to keep his or her hands on the steering wheel at all times. This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (17) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Amazon, Alexa, and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. (18) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. (19) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (20) Voice Text Reply feature requires a compatible mobile device that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. (21) Always check entire surroundings visually before proceeding. (22) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (23) Always check visually for vehicles prior to changing lanes. (24) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (25) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (26) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. (27) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (28) Vehicle must be locked and system activated for alarm to sound. (29) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (30) Not compatible with all garage doors. (31) Item is a Mopar accessory that may require installation by your dealer. See dealer for details. (32) Visit Mopar.com for complete details and a copy of the Basic Limited Warranty. (33) Visit Mopar.com for complete details and a copy of the Powertrain Limited Warranty. (34) See the Reward Terms and Conditions in the Summary of Credit Terms provided at time of application for details, including earning, redemption, expiration or forfeiture. Percentage back is earned as points. (35) Non-luxury brands. Excludes other FCA US LLC brands. (36) Rental allowance (not to exceed \$40) is only for same day mechanical repair or maintenance service (excluding bodywork). Vehicles kept overnight are not eligible.
